

A New Bus Station For Skipton

TEMPORARY CHANGES TO SCHOOL SERVICES

From 8th September 2008 the current bus station site on Keighley Road in Skipton will close for construction to start on the new bus station, taxi ranks and car parking area.

To ensure the safety of passengers, operators and the general public using the site, the bus station and car park must be closed throughout the 16 week contract period. Interim arrangements will be put in place to ensure that disruption to the public is minimised.

During this 16 week period the following changes will be implemented.

- Service 986C to Upper Wharfedale School, operated by Hargreaves Coaches, which previously picked up at the bus station will now collect and drop off pupils at the Water Street bus stop lay-by.
- Service 981C to Upper Wharfedale School, operated by Castle Coaches, which previously dropped off in the bus station will now drop pupils off on Grassington Road or The Bailey.

North Yorkshire County Council and Craven District Council apologise for any inconvenience caused by the closure of the bus station and ask for your patience and understanding during the short time of disruption. We very much look forward to the opening of the new and much improved facility later this year.
